

Your Discovery Passport

Four small ways to get to know Boulder Creek

Choose one local story, one community activity, one business or service, and one library discovery. Take a month or go at your own pace. Each can be a short visit or something you explore from home. There is no purchase requirement.

Starting date and what I want to discover

My time and spending limit for an outing

I. Follow a local story

Start with BCL Around Town bouldercreeklocal.com/around-town

Pick a history article, local profile, or guide that makes you curious. Save one detail and a question to explore next. Reading about a place doesn't mean that the property is open to visitors.

Story title, detail to remember, and my next question

More history: SLV Museum research slvmuseum.org/research.html

2. Find a community activity

Browse BCL Events bouldercreeklocal.com/events

Activity, organizer, and current organizer page

☐ Check the organizer's date, time, exact location, and change notices.

☐ Check cost, registration, age requirements, and access questions.

My plan, including a backup if plans change

Your Discovery Passport

Keep your discoveries and choose what comes next

3. Learn about a local business or service

[Explore the BCL Directory](https://bouldercreeklocal.com/directory) bouldercreeklocal.com/directory

Choose somewhere to browse, a service you may need later, or a place you've passed without learning what it offers. Check its own current information before visiting or contacting it.

Business or service and its own website or contact page

What I want to learn; hours/location checked and when

What I learned, and a future reason to return or follow up

4. Discover something through the library

[Santa Cruz Public Libraries](https://santacruzpl.org) santacruzpl.org

[Browse the Library of Things](https://santacruzpl.org/library-of-things) santacruzpl.org/library-of-things

Explore the catalog, events, learning resources, or a borrowing idea. Follow the library's current instructions for eligibility, availability, reservations, and pickup.

Resource, item, or activity and its current library page

What I need to check or do first, and when

Keep the discoveries going

My favorite discovery, and why I would recommend it

A question still open, or an idea for next month

Listings and availability can change. Confirm plans with the organizer, business, or library.
