

Our household emergency plan

Type or print. Add sheets for more people or detailed plans; keep completed copies private.

Emergency now? Follow official instructions and leave immediately when ordered. Never enter a closed area to reach a person or meeting place. Call 911 for immediate danger.

PEOPLE AND DAYTIME PLACES

Confirm each school, workplace or caregiver's emergency instructions and authorized pickup requirements. Keep detailed medical and access information private.

Person	Daytime place	Site contact / phone

ONE OUT-OF-AREA CONTACT FOR EVERYONE

Choose someone outside the immediate area who can pass along updates. Text when possible and safe; don't assume calls or messages will get through.

Out-of-area contact / mobile / other phone or email

HOW WE CHECK IN

Primary communication method / backup if it fails

Example message: I am [name]. I am at [place]. I am safe / need help. My next update will be [time]. For immediate danger, call 911; don't rely on the contact person to summon help.

Our next check-in time or plan if nobody hears from us
